Subpart Ba--Special (Occupational) Taxes

SOURCE: T.D. ATF-271, 53 FR 17563, May 17, 1988, unless otherwise noted.

§290.31 Liability for special tax.

(a) *Export warehouse proprietor.*

Every export warehouse proprietor shall pay a special (occupational) tax at a rate specified by §290.32. The tax shall be paid on or before the date of commencing the business of an export warehouseman, and thereafter every year on or before July 1. On commencing business, the tax shall be computed from the first day of the month in which liability is incurred, through the following June 30. Thereafter, the tax shall be computed for the entire year (July 1 through June 30).

(b) *Transition rule.*

For purposes of paragraph (a) of this section, a proprietor engaged in the business of an export warehouseman on January 1, 1988, shall be treated as having commenced business on that date. The special tax imposed by this transition rule shall cover the period January 1, 1988, through June 30, 1988, and shall be paid on or before April 1, 1988.

(c) *Each place of business taxable.*

An export warehouse proprietor under this part incurs special tax liability at each place of business in which an occupation subject to special tax is conducted. A place of business means the entire office, plant or area of the business in any one location under the same proprietorship. Passageways, streets, highways, rail crossings, waterways, or partitions dividing the premises are not sufficient separation to require additional special tax, if the divisions of the premises are otherwise contiguous.

(26 U.S.C. 5143, 5731)

§290.32 Rate of special tax.

(a) *General.*

Title 26 U.S.C. 5731(a)(3) imposes a special tax of \$1,000 per year on every export warehouse proprietor.

(b) *Reduced rate for small proprietors.*

Title 26 U.S.C. 5731(b) provides for a reduced rate of \$500 per year with respect to

any export warehouse proprietor whose gross receipts (for the most recent taxable year ending before the first day of the taxable period to which the special tax imposed by §290.31 relates) are less than \$500,000. The "taxable year" to be used for determining gross receipts is the taxpayer's income tax year. All gross receipts of the taxpayer shall be included, not just the gross receipts of the business subject to special tax. Proprietors of new businesses that have not yet begun a taxable year, as well as proprietors of existing businesses that have not yet ended a taxable year, who commence a new activity subject to special tax, qualify for the reduced special (occupational) tax rate, unless the business is a member of a "controlled group"; in that case, the rules of paragraph (c) of this section shall apply.

(c) *Controlled group.*

All persons treated as one taxpayer under 26 U.S.C. 5061(e)(3) shall be treated as one taxpayer for the purpose of determining gross receipts under paragraph (b) of this section. "Controlled group" means a controlled group of corporations, as defined in 26 U.S.C. 1563 and implementing regulations in 26 CFR 1.1563-1 through 1.1563-4, except that the words "at least 80 percent" shall be replaced by the words "more than 50 percent" in each place they appear in subsection (a) of 26 U.S.C. 1563, as well as in the implementing regulations. Also, the rules for a "controlled group of corporations" apply in a similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50% control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one taxpayer for the purpose of this section.

(d) *Short taxable year.*

Gross receipts for any taxable year of less than 12 months shall be annualized by multiplying the gross receipts for the short period by 12 and dividing the result by the number of months in the short period as required by 26 U.S.C. 448(c)(3).

(e) *Returns and allowances.*

Gross receipts for any taxable year shall be reduced by returns and allowances made during such year under 26 U.S.C. 448(c)(3).

(26 U.S.C. 448, 5061, 5731)

§290.33 Special tax returns.

(a) *General.*

Special tax shall be paid by return. The prescribed return is ATF Form 5630.5, Special Tax Registration and Return. Special tax returns, with payment of tax, shall be filed with ATF in accordance with instructions on the form.

(b) *Preparation of ATF Form 5630.5.*

All of the information called for on Form 5630.5 shall be provided, including:

- (1) The true name of the taxpayer.
- (2) The trade name(s) (if any) of the business(es) subject to special tax.

(3) The employer identification number (see §290.34).

(4) The exact location of the place of business, by name and number of building or street, or if these do not exist, by some description in addition to the post office address. In the case of one return for two or more locations, the address to be shown shall be the taxpayer's principal place of business (or principal office, in the case of a corporate taxpayer).

(5) The class(es) of special tax to which the taxpayer is subject.

(6) Ownership and control information: that is, the name, position, and residence address of every owner of the business and of every person having power to control its management and policies with respect to the activity subject to special tax. "Owner of the business" shall include every partner, if the taxpayer is a partnership, and every person owning 10% or more of its stock, if the taxpayer is a corporation. However, the ownership and control information required by this paragraph need not be stated if the same information has been previously provided to ATF in connection with a permit application, and if the information previously provided is still current.

(c) *Multiple locations and/or classes of tax.*

A taxpayer subject to special tax for the same period at more than one location or for more than one class of tax shall--

(1) File one special tax return, ATF Form 5630.5, with payment of tax, to cover all such locations and classes of tax; and

(2) Prepare, in duplicate, a list identified with the taxpayer's name, address (as shown on ATF Form 5630.5), employer identification number, and period covered by the return. The list shall show, by States, the name, address, and tax class of each location for which special tax is being paid. The original of the list shall be filed with ATF in accordance with instructions on the return, and the copy shall be retained at the taxpayer's principal place of business (or principal office, in the case of a corporate taxpayer) for the period specified in §290.142.

(d) *Signing of ATF Forms 5630.5--*

(1) *Ordinary returns.* The return of an individual proprietor shall be signed by the individual. The return of a partnership shall be signed by a general partner. The return of a corporation shall be signed by an officer. In each case, the person signing the return shall designate his or her capacity as "individual owner," "member of firm," or, in the case of a corporation, the title of the officer.

(2) *Fiduciaries.* Receivers, trustees, assignees, executors, administrators, and other legal representatives who continue the business of a bankrupt, insolvent, deceased person, etc., shall indicate the fiduciary capacity in which they act.

(3) *Agent or attorney in fact.* If a return is signed by an agent or attorney in fact, the signature shall be preceded by the name of the principal and followed by the title of the agent or attorney in fact. A return signed by a person as agent will not be accepted unless there is filed, with the ATF office with which the return is required to be filed, a power of attorney authorizing the agent to perform the act.

(4) *Perjury statement.* ATF Forms 5630.5 shall contain or be verified by a written declaration that the return has been executed under the penalties of perjury.

(26 U.S.C. 6061, 6065, 6151, 7011)

§290.34 Employer identification number.

(a) *Requirement.*

The employer identification number (defined in 26 CFR 301.7701-12) of the taxpayer who has been assigned such a number shall be shown on each special tax return, including amended returns, filed under this subpart. Failure of the taxpayer to include the employer identification number may result in the imposition of the penalty specified in §70.113 of this chapter.

(b) *Application for employer identification number.*

Each taxpayer who files a special tax return, who has not already been assigned an employer identification number, shall file IRS Form SS-4 to apply for one. The taxpayer shall apply for and be assigned only one employer identification number, regardless of the number of places of business for which the taxpayer is required to file a special tax return. The employer identification number shall be applied for no later than 7 days after the filing of the taxpayer's first special tax return. IRS Form SS-4 may be obtained from the director of an IRS service center or from any IRS district director.

(c) *Preparation and filing of IRS Form SS-4.*

The taxpayer shall prepare and file IRS Form SS-4, together with any supplementary statement, in accordance with the instructions on the form or issued in respect to it.

§290.35 Issuance, distribution, and examination of special tax stamps.

(a) *Issuance of special tax stamps.*

Upon filing a properly executed return on ATF Form 5630.5 together with the full remittance, the taxpayer will be issued an appropriately designated special tax stamp. If the return covers multiple locations, the taxpayer will be issued one appropriately designated stamp for each location listed on the attachment to ATF Form 5630.5 required by §290.33(c)(2), but showing, as to name and address, only the name of the taxpayer and the address of the taxpayer's principal place of business (or principal office in the case of a corporate taxpayer).

(b) *Distribution of special tax stamps for multiple locations.*

On receipt of the special tax stamps, the taxpayer shall verify that there is one stamp for each location listed on the attachment to ATF Form 5630.5. The taxpayer shall designate one stamp for each location and type on each stamp the address of the business conducted at the location for which that stamp is designated. The taxpayer shall then forward each stamp to the place of business designated on the stamp.

(c) *Examination of special tax stamps.*

All stamps denoting payment of special tax shall be kept available for inspection by ATF officers, at the location for which designated, during business hours.

(26 U.S.C. 5146, 6806)

§290.36 Changes in special tax stamps.

(a) *Change in name.*

If there is a change in the corporate or firm name, or in the trade name, as shown on ATF Form 5630.5, the export warehouse proprietor shall file an amended special tax return as soon as practicable after the change, covering the new corporate or firm name, or trade names. No new special tax is required to be paid. The export warehouse proprietor shall attach the special tax stamp for endorsement of the change in name.

(b) *Change in proprietorship--*

(1) *General.* If there is a change in the proprietorship of an export warehouse, the successor shall pay a new special tax and obtain the required special tax stamps.

Deliveries may be made to vessels actually engaged in foreign, intercoastal, or noncontiguous territory trade (i.e., vessels operating on a regular schedule in trade or actually transporting passengers and/or cargo (a) between a port in the United States and a foreign port; (b) between the Atlantic and Pacific ports of the United States; or (c) between a port on the mainland of the United States and a port in Alaska, Hawaii, Puerto Rico, the Virgin Islands, or a possession of the United States; between a port in Alaska and a port in Hawaii; or between a port in Alaska or Hawaii and a port in Puerto Rico, the Virgin Islands, or a possession of the United States); to vessels clearing through customs for a port beyond the jurisdiction of the internal revenue laws of the United States; to vessels of war or other governmental activity; or to vessels of the United States documented to engage in the fishing business (including the whaling business), and foreign fishing (including whaling) vessels of 5 net tons or over. Such deliveries to vessels shall be subject to lading under customs supervision as provided in §§290.207 and 290.263. As a condition to the lading of the tobacco products, and cigarette papers and tubes, the customs authorities at the port of lading may, if they deem it necessary in order to protect the revenue, require assurances, satisfactory to them, from the master of the receiving vessel that the quantities to be laden are reasonable, considering the number of persons to be carried, the vessel's itinerary, the duration of its intended voyage, etc., and that such articles are to be used exclusively as supplies on the voyage. For this purpose, the customs authorities may require the master of the receiving vessel to submit for customs approval, prior to lading, customs documentation for permission to lade the articles. Where the customs authorities allow only a portion of a shipment to be laden, the remainder of the shipment shall be returned to the bonded premises of the manufacturer, export warehouse proprietor, or customs warehouse proprietor making the shipment, or otherwise disposed of as approved by the regional director (compliance) for the region from which the articles were shipped. VARIATIONS FROM REQUIREMENTS

§290.72 Alternate methods or procedures.

A manufacturer of tobacco products, an export warehouse proprietor, or a customs warehouse proprietor, on specific approval by the Director as provided in this section, may use an alternate method or procedure in lieu of a method or procedure specifically prescribed in this part. The Director may approve an alternate method or procedure, subject to stated conditions, when he finds that--

- (a) Good cause has been shown for the use of the alternate method or procedure.
- (b) The alternate method or procedure is within the purpose of, and consistent with the effect intended by, the specifically prescribed method or procedure, and affords equivalent security to the revenue, and
- (c) The alternate method or procedure will not be contrary to any provision of law, and will not result in an increase in cost to the Government or hinder the effective administration of this part. No alternate method or procedure relating to the giving of any bond or to the assessment, payment, or collection of tax, shall be authorized under this section. Where a manufacturer or proprietor desires to employ an alternate method or procedure, he shall submit a written application to do so, in triplicate, to the regional director (compliance) for transmittal to the Director. The application shall specifically describe the proposed alternate method or procedure, and shall set forth the reasons therefor. Alternate methods or procedures shall not be employed until the application has been approved by the Director. The manufacturer or proprietor shall, during the period of authorization of an alternate method or procedure, comply with the terms of the approved application. Authorization for any alternate method or procedure may be withdrawn whenever in the judgment of the Director the revenue is jeopardized or the effective administration of this part is hindered. The manufacturer or proprietor shall retain, as part of his records, any authorization of the Director under this section.

§290.73 Emergency variations from requirements.

The Director may approve methods of operation other than as specified in this part, where he finds that an emergency exists and the proposed variations from the specified requirements are necessary, and the proposed variations--

- (a) Will afford the security and protection to the revenue intended by the prescribed specifications,
- (b) Will not hinder the effective administration of this part, and

(c) Will not be contrary to any provision of law. Variations from requirements granted under this section are conditioned on compliance with the procedures, conditions, and limitations set forth in the approval of the application. Failure to comply in good faith with such procedures, conditions, and limitations shall automatically terminate the authority for such variations and the manufacturer, export warehouse proprietor, or customs warehouse proprietor, thereupon shall fully comply with the prescribed requirements of regulations from which the variations were authorized. Authority for any variations may be withdrawn whenever in the judgment of the Director the revenue is jeopardized or the effective administration of this part is hindered by the continuation of such variation. Where a manufacturer or proprietor desires to employ such variation, he shall submit a written application to do so, in triplicate, to the regional director (compliance) for transmittal to the Director. The application shall describe the proposed variations and set forth the reasons therefor. Variations shall not be employed until the application has been approved. Bonds or notes of the United States, or other obligations which are unconditionally guaranteed as to both interest and principal by the United States, may be pledged and deposited by the export warehouse proprietor as security in connection with bond to cover his operations, in lieu of the corporate surety, in accordance with the provisions of Treasury Department Circular No. 154, revised (31 CFR part 225). The charge against such bond shall be subject to increase upon receipt of tobacco products, and cigarette papers and tubes into the export warehouse and to decrease as satisfactory evidence of exportation, or satisfactory evidence of such other disposition as may be used as the lawful basis for crediting such bond, is received by the regional director (compliance) with respect to such articles transferred or removed. When the limit of liability under a bond given in less than the maximum amount has been reached, no additional shipments shall be received into the warehouse until a strengthening or superseding bond is filed, as required by §290.124 or §290.125.

§290.124 Strengthening bond.

Where the regional director (compliance) determines that the amount of the bond, under which an export warehouse proprietor is currently carrying on business, no longer adequately protects the revenue, and such bond is in an amount of less than \$200,000, the regional director (compliance) administrator may require the proprietor to file a strengthening bond in an appropriate amount with the same surety as that on the bond already in effect, in lieu of a superseding bond to cover the full liability on the basis of §290.123. The regional director (compliance) shall refuse to approve any strengthening bond where any notation is made thereon which is intended or which may be construed as a release of any former bond, or as limiting the amount of either bond to less than its full amount.

(72 Stat. 1421; 26 U.S.C. 5711)

§290.125 Superseding bond.

An export warehouse proprietor shall file a new bond to supersede his current bond, immediately when (a) the corporate surety on the current bond becomes insolvent, (b) the regional director (compliance) approves a request from the surety on the current bond to terminate his liability under the bond, (c) payment of any liability under a bond is made by the surety thereon, or (d) the regional director (compliance) considers such a superseding bond necessary for the protection of the revenue.

§290.126 Extension of coverage of bond.

An extension of the coverage of any bond filed under this part shall be manifested on Form 2105 by the export warehouse proprietor and by the surety on the bond with the same formality and proof of authority as required for the execution of the bond.

(72 Stat. 1421; 26 U.S.C. 5711)

§290.127 Approval of bond and extension of coverage of bond.

No person shall commence operations under any bond, nor extend his operations, until he receives from the regional director (compliance) notice of his approval of the bond or of an appropriate extension of coverage of the bond required under this part.

(72 Stat. 1421; 26 U.S.C. 5711)

§290.128 Termination of liability of surety under bond.

The liability of a surety on any bond required by this part shall be terminated only as to operations on and after the effective date of a superseding bond, or the date of approval of the discontinuance of operations by the export warehouse proprietor, or otherwise in accordance with the termination provisions of the bond. The surety shall remain bound in respect of any liability for unpaid taxes, penalties, and interest, not in excess of the amount of the bond, incurred by the proprietor while the bond is in force.

(72 Stat. 1421; 26 U.S.C. 5711)

§290.129 Release of bonds, notes, and obligations.

(a) Bonds, notes, and other obligations of the United States, pledged and deposited as security in connection with bonds required by this part, shall be released only in accordance with the provisions of Treasury Department Circular No. 154 (31 CFR Part 225--Acceptance of Bonds, Notes or Other Obligations Issued or Guaranteed by the United States as Security in Lieu of Surety or Sureties on Penal Bonds). When the regional director (compliance) is satisfied that it is no longer necessary to hold such security, he shall fix the date or dates on which a part or all of such security may be released. At any time prior to the release of such security, the regional director (compliance) may, for proper cause, extend the date of release of such security for such additional length of time as in his judgment may be appropriate.

(b) Treasury Department Circular No. 154 is periodically revised and contains the provisions of 31 CFR part 225 and the forms prescribed in 31 CFR part 225. (2) Retain one copy of the notice of removal for his records; and,

(3) Return the other copy to the manufacturer or export warehouse proprietor making the shipment for filing with his regional director (compliance).

(c) The Customs officer may, when he considers it necessary to establish that the merchandise was actually exported, require a landing certificate before he completes the certificate of exportation specified in paragraph (b)(1) of this section. If practical, the Customs officer will give advance notice to the manufacturer or export warehouse proprietor of the type of transactions for which a landing certificate will be required. However, failure to notify the manufacturer or proprietor in advance will not prevent the Customs officer from requiring a landing certificate for specific exportations when he considers it necessary to protect the revenue. In any case, the Customs officer will advise the manufacturer or proprietor before departure of the shipment from the United States as to those exports for which a landing certificate will be required.

(d) The provisions of this section relating to landing certificates also apply when a Form 5200.14 is not required for each transaction (for example: When multiple exportations, individually documented by commercial records, are consolidated on a single Form 5200.14 pursuant to an approved alternate procedure under §290.72). The provisions apply to each transaction, regardless of the manner in which it is documented, unless specifically provided otherwise in the alternate procedure.

When the stamps have been properly destroyed, or the packages bear the required label or notice, the ATF officer will supervise the packing of such articles in shipping containers, the numbering of each such container, and the affixture thereto of the following:

Drawback of tax claimed on contents.

Sale, consumption, or use in U.S. prohibited.

Thereafter, the ATF officer will execute his report on each copy of the claim, return two copies to the claimant, deliver one copy to the regional director (compliance), and release the shipment to the claimant for delivery to the port of exportation.

§290.228 Landing certificate.

Each claimant for drawback under this subpart agrees in the bond filed by him that he will furnish, within a reasonable time, evidence satisfactory to the regional director (compliance) that the tobacco products, and cigarette papers and tubes covered by his claim have been landed at some port beyond the jurisdiction of the internal revenue laws of the United States, or that after shipment from the United States the articles were lost, and have not been relanded within the limits of the United States. The landing certificate shall accurately describe the articles involved, so as to readily identify the drawback claim to which it relates. The landing certificate shall be signed by a revenue officer at the place of destination, unless it is shown that no such officer can furnish such landing certificate, in which case the certificate of landing shall be signed by the consignee, or by the vessel's agent at the place of landing, and shall be sworn to before a notary public or other officer authorized to administer oaths and having an official seal. The landing certificate shall be filed with the regional director (compliance), with whom the drawback claim was filed, within 6 months from the date of clearance of the tobacco products, and cigarette papers and tubes from the United States. A landing certificate prepared in a foreign language shall be accompanied by an accurate translation thereof in English.

§290.229 Collateral evidence as to landing.

In case of inability to furnish the prescribed evidence of landing, application for relief shall be promptly made by the claimant to the regional director (compliance) with whom the drawback claim and bond were filed. Such application shall set forth the facts connected with the alleged exportation, and indicate the date of shipment, the kind, quantity, and value of tobacco products and cigarette papers and tubes shipped, the name of the consignee, the name of the vessel, the port or place of destination to which the shipment was made, and the date and amount of the bond covering such shipment. The application shall also state in what particular the provisions of this subpart, respecting the proofs of landing, have not been complied with, and the cause of failure to furnish such proofs; that such failure was not occasioned by any lack of diligence on the part of the claimant, or that of his agents; and that he is unable to furnish any other or better evidence than that furnished with his application. Each such application shall be supported by the best collateral evidence the claimant may be able to submit. The evidence may consist of the original or verified copies of letters from the consignee advising the claimant of the arrival or sale of the tobacco products, and cigarette papers and tubes, with such other statements respecting the failure to furnish the prescribed evidence of landing as may be obtained from the consignee or other persons having knowledge thereof. Such letters and other documents in a foreign language shall be accompanied by accurate translations thereof in English, and, when the letters fail to identify sufficiently the tobacco products, and cigarette papers and tubes, the original sales account must be produced.

When obtainable, affidavits of the vessel's owners should be furnished detailing the manner and extent of the loss and the time and location of the disaster. If the tobacco products, and cigarette papers and tubes were insured, the claimant shall furnish certificates by officers of the insurance companies that the insurance has been paid, and that, to the best of their knowledge and belief, the tobacco products, and cigarette papers and tubes were actually destroyed. The aforesaid proof shall be furnished to the regional director (compliance) within 6 months from the date of clearance of the tobacco products, and cigarette papers and tubes from the United States.

Such application must state specifically the cause of failure to furnish the evidence.

Such evidence shall be furnished within 90 days of the date of withdrawal of the cigars: *Provided*, That this period may be extended for good cause shown.

BONDS

§290.243 Bond required.

Where the customs warehouse proprietor desires to withdraw cigars from his warehouse, without payment of tax, under this subpart, he shall, prior to making the first withdrawal, file with the regional director (compliance) a bond, Form 2104, conditioned upon compliance with the provisions of 26 U.S.C. chapter 52, and regulations

thereunder, including, but not limited to, the timely payment of taxes imposed by such chapter, for which he may be responsible to the United States, and penalties and interest in connection therewith. The provisions of §§290.121 and 290.122 are applicable to the bond required under this section. However, such bond shall not be required where the customs warehouse proprietor has in effect a bond, Form 2100, pursuant to §270.199 of this subchapter, conditioned upon compliance with 26 U.S.C. chapter 52, and regulations thereunder.

[25 FR 4725, May 28, 1960. Redesignated at 40 FR 16835, Apr. 15, 1975, and amended by T.D. ATF-48, 44 FR 55856, Sept. 28, 1979]

§290.244 Amount of bond.

The amount of the bond filed by the customs warehouse proprietor, as required by §290.243, shall be not less than the estimated amount of tax which may at any time constitute a charge against the bond: *Provided*, That the amount of any such bond (or the total amount where original and strengthening bonds are filed) shall not exceed \$25,000 nor be less than \$1,000. The charges against such bond shall be subject to increase as withdrawals are made and decrease as required evidence of exportation is received by the regional director (compliance) with respect to cigars withdrawn. When the limit of liability under a bond given in less than the maximum amount has been reached, further withdrawals shall not be made thereunder until a strengthening or superseding bond is filed as required by §290.245 or §290.246.

§290.245 Strengthening bond.

Where the regional director (compliance) determines that the amount of the bond, under which the customs warehouse proprietor is withdrawing cigars for shipment under this subpart, no longer adequately protects the revenue, and such bond is in an amount of less than \$25,000, the regional director (compliance) may require the proprietor to file a strengthening bond in an appropriate amount with the same surety as that on the bond already in effect, in lieu of a superseding bond to cover the full liability on the basis of §290.244. The regional director (compliance) shall refuse to approve any strengthening bond where any notation is made thereon which is intended or which may be construed as a release of any former bond, or as limiting the amount of either bond to less than its full amount.

§290.246 Superseding bond.

The customs warehouse proprietor shall file a new bond to supersede his current bond, immediately when (a) the corporate surety on the current bond becomes insolvent, (b) the regional director (compliance) approves a request from the surety on the current bond to terminate his liability under the bond, (c) payment of any liability under a bond is made by the surety thereon, or (d) the regional director (compliance) considers such a superseding bond necessary for the protection of the revenue.

§290.247 Termination of liability of surety under bond.

The liability of a surety on any bond required by this subpart shall be terminated only as to operations on and after the effective date of a superseding bond, or the date of approval of the customs warehouse proprietor's request for termination, or otherwise, in accordance with the termination provisions of the bond. The surety shall remain bound in respect of any liability for unpaid taxes, penalties, and interest, not in excess of the

amount of the bond, incurred by the proprietor while the bond is in force.
